

'Art in the Park'

Children's Birthday Parties

Our children's art parties are hosted by the very talented and award winning art tutor Christine Curtis, who has taught children in schools nationally and internationally for more than 10 years.

Each young artist will be super excited to take home their very own creative masterpiece, which we are sure all parents will want to display in their home.

The art party will be conducted for 2 hours. The first 90 minutes will be full of fun, creative, intuitive and inspiring art activities and 30 minutes is allocated for food, cake and singing. Once that 2 hours is up your children can then retreat to the Central Park play area (right next to our gallery), where they can climb, swing and even play a sport on the open grass area.

A deposit of \$60.00 is required to book your child's very own, ART birthday party.
